

Acme

Acme represents the cream of the old school in Rio de Janeiro with a 25-year walk, shared his Technique with countless graffiti artists that today appear on the world stage. Throughout its trajectory. His works were exhibited at EUROGRAFF - Paris, by the HIP HOP Generation of SESC RJ in the Center Cultural Châteaueuallon - Toulon, (2005), no International Art Meeting in Argentina (2006), Art Paris at the Grand Palais France (2011), Gallery Adler Paris (2011), at MuBE - Brazilian Sculpture Museum (2013), at Ray Juan Carlos University In Madrid Spain, has permanent collection in the National Historical Museum (RJ) and the Museum of Folklore (RJ), in the year 2016 he installed a sculpture for urban furniture "Jonah Whale" in the Olympic Boulevard in the center of Rio, besides a mega panel of 2,200 m2 "Submerged City" by the InstaWalkRio. He was also a host artist with exhibitions and performances at the House of The Olympiads, in ParaOlympic was an exclusive artist during the recordings of the tv program Humorous The Last Leg of the British Channel 04.

Currently the artist brings in his luggage a work of genuine sculpture in which he approaches the conflicts of the human being with his spirit.

Self-taught artist, graffiti artist, sculptor and restorer is the fruit of the Pavão Pavãozinho favela in Copacabana, born inside the hill area known as Vietnam, was always. His life was art ... and to achieve his dream he had a long way between shoe shine in childhood and sell cake on the beaches of Rio in adolescence, was skater and pixador, served the barracks for six years the discovery of graffiti has opened its horizons to art.
